Dear Earl:

In reference to your inquiry about the correct name of Frank Iafelice, assistant Scoutmaster, Troop 506, on whom we sent out a confidential reference sheet on last week, the correct spelling is Iafelice, not Lafelice. The charter application evidently did list the man incorrectly.

Sincerely,

*RB*

Re: Frank Lafelice  
Ass't. Scoutmaster, Troop 506

Dear Mr. Hofmann:

Thank you for the confidential record sheet concerning Frank Lafelice and the enclosed pertinent data. This is exactly the type of material we require for our Confidential File and we appreciate your efforts in getting them for us.

In deleting Mr. Lafelice's name from our records, we found, however, that his name on the charter application was Lafelice. If this is correct, could you please notify us?

Thanks again for your thorough report.

Sincerely,

Earl L. Krall, Director  
Registration and Fulfillment Service

FROM: NORMAN D. ZIMMERMAN  
District Chairman  
South Florida Council  
Boy Scouts of America

I am interviewing [REDACTED] of Troop 413 from the city of Pompano Beach concerning an incident that occurred in summer camp at Sebring this past summer.

Q: [REDACTED], will you relate in your own words and in the words used by the other party involved, exactly, to the best of your recollection, what occurred?

A: Well, the first night that we were there, Frank Iafalese, who was the adult advisor who was staying with us, started, when we went to bed that night, took out his flashlight and started playing with himself and everything and he was shining the light to watch and make sure that I was watching and if I was then he would shine it on his face and smile and then I just turned over that night and said, "Shut off the light, Frank" and I went to bed and that was all.

Then the next night the same thing happened but I just ignored him and everything so nothing happened but Tuesday... yeah, Tuesday night, the third night when we were there, he came on over and was sitting next to the bed by me and he was jacking off and he kept on asking me if I'd ever had a blow job or anything and then he asked me if I'd like one...you know, if he could suck me on anything and he was just about begging me to let him and I told him, "No, get the hell out of here...what are you, a queer...or whatever....and get somebody else if you want something" and that's when he walked on out and presumably got [REDACTED] and the next night he walked on over towards me again and tried the same thing and I just told him to get out of here or I'd report him and that's all that ever happened between us two not counting [REDACTED].

Q: [REDACTED], during this time, did you notice anything at all unusual about him? Did you notice whether he had had an erection, as an example?

A: No, he didn't..he said..he was doing it and he says,

DYKES\_I\_008795

"Hey, watch mine, look how big its getting" and everything and then he asked me if I ever shot or anything and I go "What are you, some kind of queer " and he goes, "No, its real good man, it feels real good...why don't you try it?" and I just told him to get out of here and that's when he got [REDACTED] tried.

Q: This then is all you know of the incident?

A: Yes. [REDACTED]

The statement now continues with the testimony, if it can be called that, of [REDACTED]:

Q: [REDACTED], will you relate in your own words and in the words used by the other party involved, exactly to the best of your recollection, what occurred?

A: Well, about 10:30, Frank came and got me from my tent.

Q: What night was this with relation to the first night you came to camp?

A: It was the second night of camp, the first week, and he came and got me and took me to the Adirondack and he said "I want to talk to you" and I said "Fine, what about?" and he said, "About [REDACTED], the way he runs the troop and everything" and he brought me up to the Adirondack and you know... just laying on the bed...you know...move over...I said "Fine" ...and we were talking a little bit and then I felt his hands moving around my waist trying to unzip my pants and I was pushing his hands away...said, "Frank, cut it out, Frank...you know, not now...I don't want to do it...you know...not now," and he said "No, please, just let me play around with it a little" and he is kind of stronger than I am and he shoved my hands away and started to play around with me and finally I said "If you don't let me go I'm going to start screaming" and he said, "All right" and then he let me go and I put my pants back together and I went out.

Q: Did anything else occur while you were there with Frank Lafalese?

A: Nothing to me but I know of another incident...  
with [REDACTED]...would you like to hear about that?

A: No, we'll have to speak to [REDACTED] about  
that.

A: OK, then, that's about it. [REDACTED]

Continuing with the interview of the boys from Troop 465  
relative to an incident which occurred in Camp Sebring this  
past summer, I am now interviewing [REDACTED].

Q: [REDACTED], can you tell us anything which occurred  
which seemed unusual relative to Frank Iafalese, the adult lea-  
der who was with you at Camp Sebring this past summer?

A: Yes, one night...Wednesday night, I was sleeping  
out under the stars...

Q: Was this Wednesday night of the first week that  
you were there?

A: Yes, and he came over to me just as I was coming  
back from the buffalo showers and he said, "Are you hot?" and  
I said "No," and so then I felt his hand go inside my pants and  
I hit him and then he took it out and all and then he went away.  
Then about 30 minutes later he came out of the Adirondack and  
he goes, "Can I just touch you once?" and I said "No" and then  
he started again so I said, "Well, if you lay one finger on me  
I'm going to scream so loud that the whole camp will hear me"  
and then I went back in then that was all that happened while  
I was there.

Q: There was nothing else which you considered un-  
usual which Mr. Iafalese did about you?

A: Well, every so often, like when I was sick, and  
all, he'd start hugging me and all.

Q: Is there anything else that you can think of?

A: No.

This then would conclude the statement.
